

PMI® Pacific Kiwi USAR Helmet

PMI is proud to offer this unique rescue helmet, compliant with the NFPA 1951: Standard on Protective Ensembles for Technical Rescue Operations as a Rescue and Recovery Technical Rescue Protective Helmet. It has a fiberglass shell reinforced with DuPont™ Kevlar® and a full cranium impact liner, making it a compact version of a full structural firefighting helmet. **NOTE: This is a heavy-duty helmet.**

Key Features

- Kevlar®
- Full head polyurethane impact liner
- Leather crown comfort cap
- Nomex® chinstrap
- Leather ratchet headband
