

HARKEN Traction Winch 500 Pro | Pro Hardware

The Harken Traction Winch provides the user with a lightweight, CE certified, portable winch mounted to a robust adaptor plate. The Harken Traction Winch weighs 15.40 lbs (7.000 kg) with a 1/2 ton working load limit, the 2 speed winch magnifies the operator pulling power by up to 40 times. The multiple mounting options provide versatility when working in difficult or remote environments.
