

## PMI® Fingerless Belay Gloves White/Tan

### PMI |

PMI's famous Rappel Glove, re-engineered. Fingerless design constructed of pliable goatskin and an extra layer of durable cowhide across the palm. Goatskin is used because it has a short break-in period and it also naturally contains lanolin which keeps the gloves supple. An original innovative designed leather pull tab between the fingers makes removal easy.

---

### Key Features

- Lightweight
  - Soft leathers provide easy movement
  - Fingers covered just enough for protection
  - Quick removal
-
