

PMI® Fingerless Belay Gloves White/Tan Personal Gear | Gloves

PMI's famous Rappel Glove, re-engineered. Fingerless design constructed of pliable goatskin and an extra layer of durable cowhide across the palm. Goatskin is used because it has a short break-in period and it also naturally contains lanolin which keeps the gloves supple. An original innovative designed leather pull tab between the fingers makes removal easy.

Key Features

- Lightweight
 - Soft leathers provide easy movement
 - Fingers covered just enough for protection
 - Quick removal
-
