

ISC Mongoose Aluminum Karabiner Supersafe Hardware | Carabiners and Connectors

The ISC Mongoose Aluminum Karabiner Supersafe has a 3-way gate. ISC Performance Carabiners are forged for best build quality and feature a 'Blind' nose, which improves performance by reducing snagging. The barrels have been designed with a square cut notch to limit debris build up. ISC Karabiners are of sleek ergonomic design, with a high strength to weight ratio. *Gate Opening measurements are approximate.
