

ISC Link Aluminum Karabiner Supersafe with Pin

ISC Performance Carabiners are forged for best build quality and feature a 'Blind' nose, which improves performance by reducing snagging. The barrels have been designed with a square cut notch to limit debris build up. ISC carabiners are of sleek ergonomic design, with a high strength to weight ratio. The ISC Link Aluminum Karabiner Supersafe with Pin is available with Screwgate, Twistlock (2 way), or SuperSafe (3 way) locking gates. ANSI version available. *Gate Opening measurements are approximate.
