

BOKAT Rope Washer by PMI®

PMI |

The PMI® BOKAT Rope Washer has a built in brush to make this the best cleaning rope washer you will ever use. Just hook it up to your hose, turn on the water, and pull the rope through the PMI® BOKAT Rope Washer. Water loosens the dirt and the brush scrubs it off your rope. The PVC clam-shell housing is made with a flexible vinyl hinge which is co-extruded for longevity. Hook and loop closure adjusts for different rope and hose diameters up to 3/4 in (19 mm). One-of-a-kind scrubbing bristles provide just enough cleaning power to get the dirtiest rope ready for action. Be sure to use with PMI® Rope Soap to give you a clean rope that will last <https://pmirope.com/product/pmi-rope-soap/>. PMI®'s Rope Soap gently removes dirt, oil, grease, soot, smoke, and other grime.
