

ISC Double Rescue Pulley- Bushed

ISC Double Rescue Pulley has a Bushed, standard free-running wheel (non-locking). The ISC Progress Capture Pulleys feature a new lightweight center plate, re-positioned wheel to reduce rope friction and a rated Becket, through which even an ANSI carabiner can be fully rotated. The ISC Double Rescue Pulley is fitted with tamper-proof rivets and is individually serial numbered. [DECLARATION OF CONFORMITY](#)
