

PMI® Uniform Belt

Logistics and Support Gear | Clothing Accessories

PMI®'s Uniform Belt comes in two different versions. The Basic model is one size fits most and can be trimmed by the user to fit. The second version has hook and loop tape to fasten down the free tail of the belt and is available in two size ranges. Not intended as an emergency harness, but as a backup or "last resort". Made of 1 3/4" black webbing with a 7000 lbf MBS.
