

Beal - Air Top chest harness (for Shaolin harness)

Beal |

Adjustable chest harness with figure 8 shape for use with a [SHAOLIN](#) sit harness. This comfortable harness ensures the user remains in an upright position during a fall.

Features:

- Figure 8 shapes provides freedom of movement and distributes pressure around the chest evenly.
- 2 adjustment buckles to adjust the length of the shoulder straps.
- A single adjustment buckle allows the sternal attachment point to be correctly positioned in relation to the user, regardless of their physique.
- A reinforced webbing fall arrest attachment point is ideal in confined spaces allowing progression without hindrance.
- Can easily be fitted with an elastic positioning strap for the chest ascender.
- Large elastic retainers help tidy the chest ascender's webbing.
