

Skylotec Lift Fix

The LIFT FIX ascender lives up to its name. Using it to climb a rope is almost like using an elevator. Suited to ropes with a diameter of 8 to 13 millimeters. Available in models for left-handers or right-handers.

Key Features

- Easy to release clamp even with gloves on
- 15 mm opening at top for clipping carabiner
- Suitable for rope diameters from 8.0 to 13 mm
