

FORCE 6 Tec 2

The TEC 2 is Force 6's top-of-the-line PFD. It's the latest version of their highly successful 10-year-old water rescue PFD, the RescueTec. It is designed for water rescue professionals and public safety teams that find themselves in extreme situations. The TEC 2 fits the swimmer like a glove with its two sizes, 9 adjustments, and extendable waist belt on the LG/XL models. Optional leg swim harnesses help prevent flush drownings. If you are swimming in moving water to save lives, the TEC 2 is your PFD. Sizing & Manual Tip - When putting on your Force 6 TEC 2, be sure to take in and hold a full breath of air as you adjust the straps.
