9.5 mm BEAL Zenith
Sport | Sport Rope

A lightweight, easy-to-handle single rope ideal for performance crag climbing. The ZENITH 9.5 mm is a single rope characterized by its lightness and manageability. Its diameter gives it greater fluidity in the carabiner, which makes it easier to clip. Balanced between compactness, lightness and handling, it is ideal for performance on crags.

Key Features

- Light
- Untreated rope

Additional Information

Shipping weight | N/A
