

BEAL Bambi Harness Brand | Beal

The BAMBI Harness is primarily designed for children under 40 kg. Thanks to its two self-adjusting buckles on the thighs and its shoulder straps, this harness adapts perfectly to all body sizes. Its four self-locking buckles make it easy to adjust and the color-coded straps make it easy to put on. Comfortable and safe but also easy to use and practical, it's sure to please young climbers. One size: 350g (0.8lbs.)

Key Features

- Easy to adjust thanks to 4 autolock buckles
- Easy to put on thanks to the colours of the webbings
- Comfortable and secure
- Designed for young children
