

## BEAL Phantom Harness Sport | Sport Gear

The PHANTOM harness is both light and compact. Designed for high level sport climbing, its recycled polyester fabric is very breathable due to the numerous air vents at the waist and thighs. It also uses the Web-Core technology which provides a high level of comfort and safety for the wearer by evenly spreading pressure over the hips and the thighs. With four gear loops and a rear haul loop, this harness is very versatile. With its sleek design and distinctive features, the PHANTOM will appeal to climbers with a good level of experience.
