

BEAL Shadow Soft Harness Brand | Beal

The SHADOW SOFT harness is a simple, ergonomic harness. It is easily adjustable thanks to its 4 metal buckles and has standard gear loops for a wide range of uses. It is also equipped with the Web-core technology which provides exceptional comfort thanks to a controlled distribution of pressure between hips and thighs. It can be used for a wide range of activities. Warning! This harness is not suitable for canyoneering.

Please note that all PMI Outlet items have limited stock.
