

SMC Pro-Tech Edge Protection

SMC's Pro-Tech Rope Protection System was created to be the ultimate solution to challenging rope protection scenarios. Pro-Tech can handle up to three moving or fixed ropes with captive pins that keep the ropes from "jumping the tracks." The engineering-grade plastic was rigorously tested for durability and a low coefficient of friction to ensure that your ropes will be protected from damage while still sliding cleanly over obstacles. The "tractor tread" design articulates to match virtually any terrain feature and the modular system is infinitely reconfigurable giving you unsurpassed flexibility and peace of mind when rigging.

Key Features

- Low coefficient of friction
- Tested for durability
- Made in USA

Additional Information

Shipping weight | 1.66 lbs

Color | Blue

Material | Polyacetal Copolymer Links, Stainless Steel Pins

Length | 23.4" (595 mm)

Width | 3.5" (88 mm)

Height | 1.2" (31 mm)
