

TerrAdaptor™ Cam Strap Hobble

Patient Care | Patient Packaging

Fast-track your TerrAdaptor setup time with these new hobble straps. The gated hooks make a quick and secure connection, and it's easy to adjust the strap length with the burly cam buckles.

Key Features

- Vinyl-coated steel hooks with wire gate closure
- High visibility orange, 1" flat nylon webbing
- 5kN breaking strength (1124 lbs.)
- 14' length when fully extended
