

PMI® Fingerless Belay Gloves White/Tan - XXS

PMI |

PMI's famous Rappel Glove, re-engineered. Fingerless design constructed of pliable goatskin and an extra layer of durable cowhide across the palm. Goatskin is used because it has a short break-in period and it also naturally contains lanolin which keeps the gloves supple. An original innovative designed leather pull tab between the fingers makes removal easy.

Please note that all PMI Outlet items have limited stock.
