

## PMI® Sympatico Grande Harness

PMI |

The new PMI Sympatico Grande is the answer for your big and tall customers along with workers who are dressed in bulky clothing to fight the cold. No other harness can fit your biggest customer as comfortably and safely as the Sympatico Grande. This harness can accommodate waist sizes from 44 inches to 65 inches and leg diameters of 25 inches to 39 inches, big men indeed can wear this generously sized harness.
