

PMI® Tower-Tek Rescue Solution Solutions and Kits | Solutions

PMI®'s Tower-Tek Rescue Solution is a tried and true, “plug-and-play” rescue solution designed and built to meet the demanding rescue needs of tower workers. Whether you need to perform self-rescue, tower-based coworker rescue, ground based coworker rescue or a pickoff rescue, the Tower-Tek gets the job done. Using ANSI compliant components, the Tower-Tek stresses a common sense approach to the complicated problem of tower rescue. As with any life safety or rescue equipment, proper training and documented refresher training on the PMI Tower-Tek Rescue Solution is strongly recommended.
