PMI LIMITED WARRANTY

PMI products are warranted to the original retail purchaser to be free from defect in material and workmanship for a period of one year. PMI will repair or replace the item without charge provided inspection at our factory discloses no misuse or alteration, which, in our judgment, has affected the condition or functioning of the product. All implied warranties imposed by law in connection with the sale of PMI products are also limited in duration to a period of one year. PMI expressly excludes and shall not be liable for any consequential damages arising out of or any breach of the express or implied warranties on sales of PMI products. Because of the high risks involved in high angle rope work such as, but not limited to, rescue, rope access, caving, rappelling, rock climbing and mountaineering, no further warranties exist or are implied by PMI. Regulations issued under the Magnuson-Moss Warranty Act require us to include the following statement: some states do not allow limitations on how long an implied warranty lasts nor the excluding or limitation of incidental or consequential damages, so the above limitations may not apply to you.

INSTRUCTIONS

Use the PMI Duffel for storing rope and equipment.

INSPECTION FOR USE

Visually and physically inspect the PMI Duffel for signs of wear that could potentially cause damage or harm to the rope or equipment while in storage.

REMOVAL FROM SERVICE

Your PMI Duffel should be removed from service when it shows significant wear or has visible damage. Retire bag if damaged and is not able to protect rope or equipment while stored or in use.

MAINTENANCE AFTER USE

Wash the PMI Duffel with clear water or mild soap, such as PMI Rope Soap. Ordinary laundry detergent, or solutions that may contain bleach, should not be used on life safety gear. Rinse well and air dry. Store the PMI Duffel in a clean, dry place out of direct sunlight and protected from potentially damaging chemicals.

Completely dry rope and other equipment before storing in duffel.

ADDITIONAL INFORMATION

Retain user instructions and labels supplied with this equipment on a permanent record.

Maintain a copy of instructions and warnings with the equipment so that any potential user can read them.
